

Academic Support Center

FACULTY SERVICES

SUPPLEMENTAL INSTRUCTION SUPPORT

Supplemental Instruction provides peer-led academic support for students in challenging courses. Trained peer leaders who attend the course, facilitate study groups, and provide additional academic support as needed outside of class.

EMBEDDED TUTOR SUPPORT

Embedded Tutor (ET) provides faculty with a dedicated tutor embedded in their course who works closely with faculty members to provide additional academic support to students. ET is typically focused on individualized support.

WRITING ASSISTANCE/CONSULTATIONS

Professional writing tutors can assist faculty with writing, proofing, formatting, brainstorming, and more when developing assignments and other projects.

WORKSHOPS

The ASC offers workshops like test-taking, time management, essay-writing, source citation, and more. Faculty can also work with the ASC to customize some workshops for their students.

ASC CLASS PRESENTATIONS

Faculty can submit a request for ASC staff to visit their classes to present information about services the ASC provides for students.
