

10 QUESTIONS TO ASK ABOUT YOUR COURSE

1. Do I have access to the course Canvas site?
2. What course material or technologies are required for this course?
3. Is this course on-campus, remote, blended, or online?
4. Does this course have synchronous class sessions held at specific days/times each week?
5. How and when will office hours be held?
6. What are ways I can contact the instructor? (e.g., Canvas message, email, Zoom, phone)
7. What are the major assignments for this course, and what are their point values?
8. How do I submit work for this course?
9. What academic resources (besides the instructor) are available to support me in this class? Remember to include campus resources, classmates, and study groups in your list!
10. What questions do I have about the course, and who could answer those questions?
